

THE ALEX VENUE SPEC

LOAD IN AND STORAGE:

Upon arrival at the venue load in will take place through the main entrance. Cars/vans can be parked directly out the front for a brief period otherwise you will need to pay at the meter, but for unloading it's not a problem. There is no parking at the venue but again there is metered parking directly outside the venue.

STORAGE ROOM:

We do have secure lockable storage if needed but only for a short period of time (overnight for example). The kitchen behind the main area of the stage and venue can also be used for brief storage or quiet area for bands.

MERCHANDISE:

There is a designated area and tables for a number of bands to sell merch on any night. We do not charge commission, what you sell is obviously yours.

We use various local photographers but would need at least 7 days notice if you wish to use them.

STAGE DIMENSION:

We have a large stage on the left hand side as you come into the venue. There is room for backdrops and a number of fixtures to hang said backdrops or posters from. We also have a projector and screen on the stage so if there is a film or anything from a laptop you want shown or projected please do not hesitate to ask. Dimensions are 400cm width and 600cm depth.

WI FI:

We have wifi you just need to ask for the code from a member of staff.

INVOICING:

All payments must be made in cash on the night, depending on the specific deal that has been negotiated.

FOOD:

Food can be prearranged with plenty of notice. If previously negotiated an 'ample rider' is supplied.

PROMOTION:

At the Alex we provide promotion through all our social media. Using our established groups and pages on top of our relationship with various promoters and promotional websites we convincingly reach a vast array of individuals to best cater for your event. Posters and flyers can be put up around the venue and a list of local businesses that allow that same kind of promotion will be made available on request. We DO NOT condone illegal fly posting. Any costs or losses due to this will hold the promoter liable.
